Dear Student,

In response to the coronavirus pandemic, funds have been made available through the CRRSAA Act to award emergency grants to students for expenses related to any component of the student's cost of attendance or for emergency costs that arise due to coronavirus. Eligible expenses include tuition, food, housing, health care (including mental health care), or childcare. The Campus has deemed you eligible to receive an emergency grant in the amount of \$(actual amount inserted here). This is not a loan and will not need to be paid back and will not affect your financial aid award amounts for academic year 2021-2022. Students must understand it is their responsibility to notify the Financial Aid Office immediately if they will not incur expenses that meet or exceed the amount of their emergency grant.
