

Transfer Planning Sheet Geography (GRY)

The following SUNY Cortland courses are recommended by the department to complete prior to transfer. The transfer credit limit from a 2-year college is 64 credits. All classes are three (3) credits unless otherwise noted. SUNY Transfer Path courses are underlined and notated in blue. Transfer students who have completed SUNY General Education prior to attending SUNY Cortland will have met their General Education requirements at SUNY Cortland.

Communication 1 (GECI)* CPN 100 Writing Studies I Communication 2 (GECZ)* CPN 101 Writing Studies II Communication — Presentation (GECP)* COM 210 Fundamentals of Public Speaking Diversity: Equity, Inclusion & Social Justice (GEDI)* Mathematics (GEMA)* Natural Sciences (GENS)* (3-4 cr) Humanities (GEHU) The Arts (GEAR) US History & Civic Engagement (GEUS) World Languages (GEWL)** *Indicates required SUNY General Education Category **A foreign language course at the intermediate level II (202) is required for this major. Total: 64

Electives (12-13 credits)

Options for GRY Electives Include:

GRY 480 United StatesGRY 450 Urban Geography

o GRY 240 Economic Geography

Geography School of Arts and Sciences

The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate <u>Catalog</u>.
- > Use the <u>transfer equivalency tables</u> to choose equivalents at your transfer college.
- If you plan to transfer before you complete your associate's degree, you can still earn your degree via Reverse Transfer.

About Geography

There's more to geography than locating state capitals and identifying mountain ranges and rivers. Geographers predict the weather and analyze environmental changes; they deal with issues of population such as where population is greatest and why and how populations change and have changed. They work in tourist development and for international businesses.

Career Potential

- Census Bureau data analyst
- > Military intelligence officer
- > International commerce
- > Tourism development planner

What Will I Learn?

Your course work includes:

- Physical geography
- > Cultural geography
- > Human geography and global development
- > Cartography and Geographic Information Systems

Applying to Cortland

- SUNY Cortland accepts the Common Application and the SUNY Online <u>application</u>. Choose just one way to apply; both require a \$50 non-refundable application fee.
- ➤ If you apply to Cortland using the SUNY application, SUNY will waive the \$50 application fee for transfer students graduating with an associate degree from a SUNY or CUNY college, who apply directly to Cortland for baccalaureate programs.
- Fall applicants should apply by March 1. Spring applications should apply by November 1.
- After applying, students must send transcripts from all colleges attended and a high school transcript.
