Old Business:

••• AAS 206 Blues Appreciation in Culture.

Tabled earlier in the year. Many issues now resolved. Questions 4 still needs an answer.

VOTE: unanimous decision to contingent pass.

New Business:

••• Course Alteration: COM 436 Films of Spike Lee

To add a cross-list to CIN 436. As this course is already crosslisted to AAS, there will need to be an AAS proposal as well. We need to see a Form 1 for CIN 436 as well. Syllabus needs to add: a) new course description, b) course prefix and number. Some typos in proposal: "syllabus" and "inclass"

VOTE: unanimous decision to table.

••• New Course Proposal: PHI 170 Philosophical Meditations: Somaesthetics

Suggested longer version of the abbreviated course title. Typo in course outline "mediation."

VOTE: unanimous decision to contingent pass.

••• Course Alteration: PHI 375 Science, Truth and Bias

To change prereq and course number (new number: 475).

Form 2 needs some changes – box on prereq change needs to be checked. Needs brief explanation of the change on page 1. Justification of the change on p.2 needs to explain relevance of PHI 202.

VOTE: unanimous decision to table.
