Alteration of Course PHI 205 and New Course Proposal AAS 205	Revised in light of our comments on 2/4/14. Proposal is much improved. Two problems remain. In both proposals CRM/SOC 464 is ignored. Q5 should identify it and Q6 should say Yes. Comments from the SOC dept are needed. The "also listed as" statement is in the wrong place in the course description... it should precede the 3 cr hour statement.	Tabled
