<p>Old Business</p>		
<p>Alteration of Existing Course: GRY 250 changing number to GRY 450</p>	<p>Previously reviewed in fall of 2012. Lacked a comment from Environmental and Outdoor Education program at that point. Comment of support is now in place</p>	<p>Pass</p>
<p>New Business</p>		
<p>New Course Proposal COM 326 Event Planning</p>	<p>Possible overlap with courses in REC and SPM—needs a comment from those departments.</p>	<p>Contingent Pass</p>
<p>New Course Proposal POL 400 Seminar in US Democracy</p>	<p>Course description should begin with frequency code, should exclude the WI statement, and needs a prereq statement. Re Q2, not clear why this course is needed in addition to existing capstone courses. Q4 should indicate that this will be part of an existing program...alteration of program is needed. POL 102 is not mentioned as being in the same general area.</p>	<p>Table</p>
