

ANNOUNCEMENT OF VACANCY

POSITION: Graduate Assistant of Recreational Sports for Outdoor Pursuits/Climbing Wall; 9-month position; reports to the Assistant Director of Recreational Sports for Outdoor Pursuits; starting date is August 20, 2018.

RELATION TO EDUCATION PROGRAM: this graduate assistantship position will provide the applicant with a range of relatable administrative, personnel management and leadership skills, including but not limited to: conflict management; receiving and sharing constructive feedback with others; evaluating student/employee performance; communicating with fellow employees, student employees, and participants; hiring, scheduling and training staff; facilitation; overnight trip management; risk management; judgment and decision making; financial management and budget planning; program evaluation and assessment. The position will provide the applicant with the skills needed to confidently and successfully obtain a professional position in the outdoor recreation field. This specifically supports the SUNY Cortland campus priority of transformational education, allowing students to participate in experiential education, and providing opportunity to apply theory and gain practical experience outside of the classroom. All of the aforementioned skills are transferrable to the candidate's educational success, and individual growth, and will be especially valuable for an individual seeking a career in Campus Outdoor Recreation.
