

The 2019/2020 Community Health Fieldwork Meeting

Schedule

Below is a list of the meetings and application deadlines for community health fieldwork. The fieldwork application form can be found here on the Health Department's fieldwork website. The first meeting ("Placement Planning") focuses on the process of setting up an appropriate fieldwork placement. The second meeting ("Orientation") explains how to have a successful fieldwork experience. Students are encouraged to ask questions. Attendance at both meetings is mandatory. These dates are provided to you in advance, so you can make plans to miss work if necessary. The Community Health Fieldwork Coordinator is Dr. Beshers.

NOTE: All meetings will take place in Corey 304 from 12:30 to 1:30 unless otherwise announced. All meetings are scheduled on Mondays.
