## Child Abuse Recognition & Reporting (CARR)

The workshop involves recognizing signs of child abuse and teaches individuals how to contact the appropriate authorities when abuse is suspected.

The New York State Office of Children and Family Services now offers **FREE 24/7 online** Mandated Reporter Training in Child Abuse and Neglect/Maltreatment Identification. This 2-hour web-based training is full narrated and interactive and features learning exercises customized for the Child Care, Social Services, Law Enforcement, Education and Medical Professions. As you complete each 10-15 minute section, the application saves your progress and allows up to **30 days to complete** the entire course. Use the following link to register—[www.nysmandatedreporter.org](http://www.nysmandatedreporter.org).

**PLEASE NOTE:** you must use a PC or Laptop to take this training. If other devices are used the training **WILL NOT** be recorded and you **WILL NOT** receive a certificate of completion.

## Safe Schools Against Violence in Education (SAVE)

This workshop was developed as a response to the ever-increasing violence in our schools. This workshop will provide school personnel with awareness of violence prevention and intervention skills and techniques that they can use.

Project S.A.V.E. is a 2-hour web-based course that is required of professionals who work in the schools in New York State. The course takes approximately 2 hours to complete and does not need to be done in one session. Your progress in the course is recorded and you will automatically be returned to where you left off the next time you login. During the course participants will be asked to submit personal reflections on some of the topics discussed. These reflections will be emailed to the participant along with their certificate at the end of the course.

You will need to create an account if you don't already have one. Visit this link to sign-up
