Quiet Atmosphere  
Living Agreement

Our goal in providing quiet floors is to provide students with an academically supportive atmosphere. The policies and guidelines are listed below and any activity contrary to them may result in dismissal from the floor. Every resident, in signing this living agreement, will be responsible for his/her actions and the action of his/her guests or visitors.

1. Quiet hours on quiet atmosphere floor exist 24 hours a day, seven days a week. There should be no sounds heard outside of your room door. This includes televisions, music and/or voices.
   a. On all other floors the standard quiet hours are observed from 9 p.m. - 9 a.m., Sunday through Thursday and from 11 p.m. - 11 a.m. on Friday and Saturday.
2. Residents agree to confront each other for noise violations and compliance is expected.
3. Guests will be allowed to visit quiet atmosphere floor but the host/hostess will be responsible for any violations of the policy. The guest will be asked to leave the hall immediately if any disturbance is created.
4. Higgins Hall only: the kitchen/lounges on the quiet floors will be used as quiet study lounges (this includes suite lounges). If a lounge is needed for an event, there will be signs posted indicating the date and time it is reserved.

I understand that I am residing in a 24 hour quiet atmosphere residence area. I agree to abide by the guidelines listed above. I acknowledge that all levels of sound must be kept to a minimum and within the confines of my room for 24 hours a day, seven days a week for the entire academic year.

I understand that violation of such policy will result in removal from the quiet floor.

I have read this agreement and understand the expectations of living on the quiet atmosphere floor.
