

AGENDA
ACE Fall Regional Institute
TULLY HIGH SCHOOL
Wednesday November 9, 2011
7:00 p.m. - 9:00 p.m.

7:00 p.m. Check-in/Attendance and Refreshments - Cafeteria

7:15 p.m. Welcome (*Michael Ouckama, ACE Coordinator*)

Keynote address: ***Mariangela Chandler**, Director, ASAP, SUNY Cortland*

7:50 p.m. WORKSHOPS:

*~Workshops are open to **both** students and/or parents **except** where noted.*

A. “Life on the College Campus”

Parents and Students will have the opportunity to interact with a panel of college students, ask any questions and receive information on a variety of issues relevant to life on a college campus. *Please come prepared to ask questions about aspects college life - for example; homesickness, living with roommates, course workload, recreation, etc.*

College Students ~ Area colleges

B. “Concept Maps, Classification Charts and Timelines”

The design and use of Drawing Diagrams of Concepts helps reinforce learning in two ways:

1- As a visual aid, you “see” your ideas. 2- In a kinesthetic sense, you can create/touch them with your hands. Classification Charts are useful for studying several concepts and the relationships among them. Timelines are sketches representing particular historical developments. Models of all three will be discussed.

Mariangela Chandler, Director, ASAP, SUNY Cortland

C. “Career Services Resources”

Participants will be introduced to the many ways that this department assists students on a college campus. Career Services provides assistance and resources for every aspect of career development, from choosing a major or career path, to developing the skills necessary to pursue one's goals.

Calvin Ruthven, Coordinator of Student Employment Services, Career Services, SUNY Cortland

D. “Teacher Education”

Teaching is one of the most important professions in any society. SUNY Cortland is the largest nationally accredited teacher education program on the east coast. Come and learn about pre-requisites, the variety of teaching programs, summer and international opportunities and career opportunities.

Lisa Allen, Asst. Director, Career Services, SUNY Cortland

E. “Financial Aid”

Participants will learn about a broad range of financial services such as eligibility and filing; applying for aid; opportunities for student employment; loans/grants/scholarships; billing and payment; advisement; deadlines etc.

TBA, Advisor, Financial Aid Office ~ SUNY Cortland

8:50 p.m. WRAP-UP AND EVALUATIONS

At the end of your workshop, ***please take time to fill out your EVALUATION sheet.***

The feedback that you give us about our programming is very important to us. We read each evaluation and sincerely consider comments that are made when redesigning programs.
