Second Major or Concentration

All students must choose a second major or one of three interdisciplinary concentrations as part of their degree. Approved concentrations are Environmental Studies (EST), Humanities (HUM), and Social Sciences (SOS). Required courses for the second major are in the catalog. The following majors are acceptable as appropriate subject areas related to the elementary curriculum:

Art History	Economics	Geography	Geology	Political Science
Biology	English	History	Musical Theatre	Spanish
Chemistry	French	Mathematics	Physics	

- Second majors that are Bachelor's of Arts (BA) programs will also require foreign language proficiency to the 202 level – 2 semesters higher than required for BS EDC/EDE/EDD degree. Sign language is not approved as a foreign language for all BA programs.
