## Art: Art History

### School of Arts and Sciences

The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate [Catalog](#).
- Use the [transfer equivalency tables](#) to choose equivalents at your transfer college.
- If you plan to transfer before you complete your associate's degree, you can still earn your degree via [Reverse Transfer](#).

## About Art: Art History

The art and art history curriculum will develop your critical thinking skills and creative problem-solving abilities by immersing you in the history and making of visual art. You'll learn the importance of the art object in society as a means of both individual and cultural expression.
