

Outdoor Pursuits Workshop Series

What: The Outdoor Pursuits workshop series is designed to provide in class instruction with real time application. Workshops will focus on outdoor skills such as camp cooking, kayak safety, climbing techniques, and much, much more. Workshops will be **free of cost** and available to any member of the student life center. There will be qualified staff available to answer any questions you may have during the workshop, and no prior experience is necessary to participate. Join us for evenings of fun, with friends and develop new skills!

When: Monday nights at 6PM ☺

Exploring the NOLS Cookery (2 Of 3): Recipe TBD 9/21 @ 6PM

We will review the basics of backcountry baking using a whisperlite stove from the week prior and then build off of those techniques to cook another amazing meal.

Where: Meet at Outdoor Pursuits Center, SUNY Cortland Student Life Center
