************************** HALF - DAY WORKSHOPS **************************

☺ DIGITAL DIRT / COLLEGE TRANSITIONS – July 23: For Students In Grades 8-12 (2018-2014)
Digital Dirt: Build a positive online reputation. Employers often do web searches of candidates before hiring. Anyone can easily find embarrassing and unprofessional info. Maximize your positive professional brand/minimize online regrets.
College Transitions: Hear from a college student, and former ACE student, on the transition from High School to College.

*******************************************************************************

☺ COLLEGE IS IN YOUR FUTURE – July 31: For Students In Grades 8-9 (2018-2017)
Begin the process of gaining power over your future. Explore your very own preferences for career options, & take part in fun, interactive, learning games while goal planning -with an eye on college.

*******************************************************************************

☺ GETTING THE MOST OUT OF YOUR COLLEGE VISIT - Aug. 12: For Students In Grades 9-12 (2017-2014)
Where to go to college is a big decision, one of the most important a young person makes. Get the most out of your college visit. Learn tips on how to prepare and what questions to ask from this experienced parent/student duo.
NOTE: PARENTS are encouraged to attend this workshop with their student.
(If space is available, 8th graders (Class of 2018) may be able to attend. Call/email ACE to find out.)

*******************************************************************************

☺ SCHOOLS OF THOUGHT – Aug. 19: For Students In Grades: 8-12 (2018-2014)
No matter what career track you may choose now or in the future, the main focus is to be successful and achieve your goals. If you would like to explore two interesting schools: The School of Communication and the School of Health Sciences And Human Performance, then this is your chance. (This is a walking tour.)
NOTE: PARENTS are encouraged to attend this workshop with their student.

*******************************************************************************

* 2-day programs run from 9 am-3 pm. If you register for a 2-day program, you must be able to attend BOTH full days.
* Note: Lunch, courtesy of ACE will be provided to students attending either or both of the following 2-day programs only.

☺ WRITING PROCESS July 16-17: For Students In Grades 8-10 (2018-2016)
Students will develop and enhance their writing skills through a variety of interesting activities. Utilizing computers, they will also produce a published collection of writings. Students are expected to write daily and share their work. Some typing required.

*******************************************************************************

☺ STUDY SKILLS Aug. 5-6: For Students In Grades 8-10 (2018-2016)
Students will engage in a variety of enjoyable activities to enhance their study skills and learning success. Topics are: self-awareness; learning styles; time management; ways to organize ideas/notes, test taking strategies and reading comprehension.
