COMMON BUDGET TERMS & DEFINITIONS

- **Account Manager** – Person authorized and responsible for a particular account.

- **Administrative Overhead** - An assessment against revenue in an IFR account to recoup the indirect administrative costs associated with operating an IFR program. The assessment is reflected in the individual IFR accounts as a reduction to the uncommitted cash balance.

- **Allocation** – The amount authorized to be spent within a fiscal year.

- **Allocation Transfer** - Movement of allocation from one account &/or object to another account &/or object within the same fund. Transfer of allocation from an account decreases the account's uncommitted balance. Transfer of allocation into an account increases the account's uncommitted balance. Allocation transfers may be either *one-time* (affecting only current year allocation) or *permanent* (affecting allocations in following fiscal years).

- **Dorm Income Fund-Reimbursable (DIFR)** - A self-supporting fund that operates on revenue generated from dorm operations.

- **Encumbrance** - A commitment of a portion of an account's allocation to cover the cost of payroll, goods or services (e.g. purchase orders). Temporary Service payroll does not get encumbered.

- **Expenditure** - A transaction that indicates the approval to issue a check. The transaction could be liquidating an encumbrance or be a direct payment.

- **Expense Transfer (a.k.a. Journal Transfer)** - Movement of expenses incurred in one account to another account (can be within a fund or from one fund to another). Transfer of expenditures from an account increases the available balance. Transfer of expenditures into an account decreases the available balance.

- **Fiscal Year** - The time period used to monitor financial activity. SUNY’s fiscal year is July 1 through June 30.

- **Fringe Benefits** - An assessment against payroll expenses (including both regular and temporary personnel, excluding students) in IFR and DIFR accounts to recoup the costs of fringe benefits.

- **Fund** – Identifies the type of account (State, IFR, DIFR or SUTRA).

- **Income Fund-Reimbursable (IFR)** - A self-supporting account that operates on revenue generated from its operations. These accounts are considered a special type of State funds.

- **Lapsed Period** - Allocations are assigned to accounts and intended for use during the fiscal year (July 1 through June 30). Often transactions started
during the fiscal year are not completed by June 30. For example, an item ordered in April may not be delivered by the vendor until August. Such transactions that post after the end of the fiscal year are lapsed period transactions. SUNY’s lapsed period begins July 1 and continues to September.

- **Maintenance & Operations (M&O) Overhead** - An assessment against revenues in IFR accounts to recoup the indirect costs associated with the facilities and space used by an IFR program. The assessment is reflected in the individual IFR accounts as a reduction to the uncommitted cash balance.

- **Objects** – Distinct categories of expenses within an account; e.g., Personal Service Regular (PSR), Temporary Service (TS), Other than Personal Service (OTPS) such as Supplies, Travel, Contractual, & Equipment. See also Sub-Object Codes.

- **Pending Items** - Transactions which have been initiated, but have not yet posted to the account.

- **Recharge Funds** - Funds assigned to an account to record the expenses incurred for centrally provided goods and services. The recharge areas include storehouse, telephone, mail, duplicating, and automotive services.

- **Stabilization** - After the lapsed period closes, if there is any remaining campus-wide state allocation, it can be put into a special account and spent the following fiscal year.

- **State Purpose Funds** - State appropriated funds provided to the campus for program operations.

- **Sub-Object Codes** - A numerical structuring of expenses. For example, 0000 – 1999 is for personal service regular, 2000 – 2999 is for temporary service, 3000 – 3999 is for supplies, 4000 – 4999 is for travel, 5000 – 5999 is for contractual, and 7000 – 7999 is for equipment.

- **Uncommitted Balance** - The allocation remaining and available for use in the account after deducting all expenditures and encumbrances from the allocation.
