

# Memorial Library Web Scavenger Hunt

---

*Welcome! The SUNY Cortland Memorial Library is one of the most important campus resources you will utilize during your education here. The hunt is divided into two sections: The Website and the Portal. The Website will introduce you to our policies and services. The portal will introduce to our research resources.*

**GOOD LUCK!**

**The Website! To FIND the answers:**

**Go to <http://www2.cortland.edu/library/about/>**

- 1) What will the library hours be during fall (spring) break?
- 2) What is the library's policy on cell phones?
- 3) Why would you use interlibrary loan?
- 4) How many computer labs do we have in the library?
- 5) If I go to the library and check out a laptop, how long is the loan period (without renewal)?

**The Portal (Go to the "Library" tab after logging into myRedDragon)**

- 6) What are at least three possible ways to contact a librarian and ask a question?
- 7) Who wrote the book, "Vampires, Dragons, and Egyptian Kings: youth gangs in postwar New York"?
- 8) What is the call number of the book, "Franny and Zooey" by J.D. Salinger?
- 9) To help you with research, our librarians have written guides for specific departments and areas. They are found in the "databases by subject" box drop-down menu. What is one internet website found under the Geology subject?
- 10) Name two video databases that we have access to? (\*hint-scroll down subject guides)
