

## SUNY Broome Transfer Planning Sheet – Athletic Training (ATR)

*Soon all Professional Athletic Training Programs will only result in Master Degree. The Athletic Training undergraduate program at SUNY Cortland will be discontinued. Please refer to the Exercise Science program as a preparatory program for students interested in Athletic Training. For more information about the discontinuance of undergraduate programs, please refer to the [CAATE website](#).*

The following Cortland courses are recommended course options to complete prior to transfer. The transfer credit limit from a 2-year college is 64 credits.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate [Catalog](#).
- Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.
- Use the [transfer equivalency tables](#) to choose equivalents at your transfer college.
