Honorary Degree Recipients

Christopher Ashley

Tony Award-winning Broadway director Christopher Ashley built his successful career on a foundation formed at the SUNY Cortland campus.

Ashley, whose work includes highly acclaimed off-Broadway and regional theater productions as well as television and film, was first introduced to the dramatic world of the stage as a student at Cortland's former Campus School while growing up as the son of a respected SUNY Cortland faculty member.

The Campus School introduced Ashley, son of the late Professor Emeritus of Philosophy Lawrence Ashley, to musical theater. SUNY Cortland's Drama Department, now Performing Arts Department, gave him experience as an extra in stage productions.

Ashley graduated from Yale University in 1984, majoring in English and mathematics. In 1987, he became one of the earliest graduates of the Drama League Directors Project, recognized as the nation's preeminent development program for young directors.

Since then Ashley has been nominated for three Tony Awards for Best Direction of a Musical, winning in 2017 for "Come From Away," which also earned him an Outer Circle Critics award and a Helen Hayes Award for Outstanding Musical Direction. He previously won a Helen Hayes Award in 2003 for his Kennedy Center Sondheim Celebration production of "Sweeney Todd." For his off-Broadway production of "Jeffrey," he won an Obie Award and a Lucille Lortel Award. Ashley went on to direct a feature film based on the play, starring Patrick Stewart with cameo appearances by Nathan Lane, Sigourney Weaver, Olympia Dukakis and many others.

His musical Broadway productions include "Xanadu," "All Shook Up" and "The Rocky Horror Picture Show." Among his off-Broadway shows are "Blown Sideways Through Life," which he also directed for PBS as part of its American Playhouse series, and "Fires in the Mirror," which won a Lucille Lortel Award. He directed the feature film "Lucky Stiff," a musical comedy starring Jason Alexander and Dennis Farina.

Many of the plays Ashley has directed premiered at the prestigious La Jolla Playhouse in San Diego, where he has been artistic director since 2007. His La Jolla productions include "Hollywood," "The Darrell Hammond Project," "His Girl Friday," "Glengarry Glen Ross," "A Midsummer Night's Dream," "Restoration," "Escape to Margaritaville," "Xanadu" and "Memphis," which won four 2010 Tony Awards including Best Musical. Most recently at La Jolla, he directed the musical stage version of the Disney movie "Freaky Friday."

Ann Cody

A medal-winning, three-time Paralympic athlete and internationally respected advocate for the rights of people with disabilities, Ann Cody has dedicated her life to combatting discrimination and ensuring opportunities for people throughout the world.

Cody, a former Groton (N.Y.) High School athlete who was paralyzed at age 16, is a senior foreign affairs officer in the U.S. State Department, leading the department's international disability rights team. She joined the State Department in 2014, after more than 20 years of advocating for women's and disability rights in private and non-profit sectors. At the forefront of many international and national disability and human rights advocacy campaigns, Cody has testified before the U.S. Congress on implementation of the Americans with Disabilities Act and has held leadership positions related to the Paralympic movement in the U.S. Olympic Committee, International Paralympic Committee and International Olympic Committee.

Cody began playing wheelchair basketball while earning a Bachelor of Fine Arts in Art and Design and a Master of Science in Leisure Studies/Recreation from the University of Illinois at Urbana-Champaign. She went on to represent the United States in the sport at three Paralympic Games, winning five medals including one gold. She also won the 1989 Chicago Marathon and the 1990 Los Angeles Marathon in the women's wheelchair division.

Prior to joining the State Department, Cody oversaw the Washington, D.C., office of BlazeSports America, a nonprofit that provides athletic opportunities for people with physical disabilities. She helped develop the organization's policy efforts and led its international development initiatives, promoting the rights of people with disabilities through sport in Haiti, Jordan and Russia.

Cody has been widely recognized by national organizations. She was awarded the Paralympic Order — the highest honor bestowed by the International Paralympic Committee; the George M. Steinbrenner Sport Leadership Award; National Consortium for Physical Education and Recreation for Individuals with Disabilities Congressional Award; National Council of Youth Sports National Administrator of the Year; and University of Illinois Alumni Association's Humanitarian of the Year Award. She was inducted into the U.S. Adaptive Sports Hall of Fame and was named both USA Track and Field Disabled Athlete of the Year and Wheelchair Sports, USA Athlete of the Year in 1990.

Commencement 2019 is an unforgettable moment in SUNY Cortland's long history as the College celebrates its Sesquicentennial and your accomplishments as its most recent graduates.

The story of how the humble Cortland Normal School of 1868 evolved into the nationally respected SUNY Cortland of 2019 is a tale of vision, determination, camaraderie and compassion.

It is a tapestry comprising obstacles overcome, excellence achieved and ensured access to high-quality education for all students, regardless of background or circumstance.

It is the chronicle of the SUNY Cortland community — alumni, faculty, staff, students, neighbors, family and friends.

Throughout its proud history, the College has overcome devastating fires, tough economic times, global wars and seismic American culture shifts. The school has grown in number of programs and students, and the campus continues to evolve. Despite these changes, the shared values that define Cortland have remained the same.

Although the Sesquicentennial celebration concludes this year, your connection to SUNY Cortland — and your impact on its story — is timeless.

Academic Traditions

ACADEMIC PROCESSION

The procession begins with the all-college gonfalonier, who leads in the faculty, followed by the schools of arts and sciences, education and professional studies gonfaloniers, who lead in the students. The procession concludes when the mace bearer brings in the platform party, which consists of members of the College's administration and faculty leadership, the College Council, visiting dignitaries and honorees.

THE MACE

The mace is a ceremonial staff used as a symbol of authority. The mace bearer precedes the platform party and places the mace on a special stand where it remains while the official proceedings of Commencement are underway. SUNY Cortland's mace, the "Torch of Learning," is made of silver and rosewood and was created by local silversmith John Marshall.

THE GONFALONS

The four bright banners carried in the academic procession are called gonfalons. The red, white, black and grey gonfalon represents the College; in blue, grey and burgundy it represents the School of Arts and Sciences; in blue, purple and black it represents the School of Education; and in peach and green it represents the School of Professional Studies.

The gonfalons were designed by Libby Kowalski, professor emerita of art and art history, and Kathy Maher, a 1984 SUNY Cortland graduate. The standards were made by Bard Prentiss, associate professor emeritus of art and art history, and J. Eric Kroot. Materials were provided by the Gilbert and Mary Cahill Foundation and the late Rozanne M. Brooks, distinguished teaching professor emerita of sociology/anthropology.

REGALIA

Commencement lends itself to the pageantry of an academic procession rooted in medieval times. The gowns and hoods worn by faculty members, candidates for graduation and platform dignitaries distinguish the institution from which the wearer was or will be graduated, the level of the degree earned and the field of learning.

In 1985, American colleges established a standard code of academic dress, specifying three types of gowns. The gown for the bachelor's degree has pointed sleeves, the gown for the master's degree has an oblong sleeve with the front part cut in an arc, and the gown for the doctoral degree has bell-shaped sleeves. The doctoral gown also is trimmed in velvet. The hood's inner lining, which folds out at the back and center, indicates the colors of the institution granting the degree, while the border, which comes around to the front of the neck, represents the field of learning.

The black mortarboard cap is standard. Its only distinguishing feature is a gold tassel worn by holders of the doctoral degree.

THE HONORS MEDALLION

The graduates wearing silver medallions with red ribbons have completed the SUNY Cortland Honors Program. To complete the Honors Program, a student must take 24 credit hours of honors courses, engage in 40 hours of community service, maintain a cumulative grade point average of 3.2, and complete an honors thesis during his or her senior year.

THE KENTE STOLE

The Kente stole is a rich, multicolored, handwoven style of cloth that originated in Ghana, West Africa, and is revered throughout the African world. It is traditionally worn during important national ceremonies. The colors, patterns and ideogramatic images of the Kente stole impart information about the wearer and highlight the importance of an event or a ceremony. Similar to the academic hood, the Kente stole is relatively new to commencement ceremonies in the United States and symbolizes higher education's connection to the rich cultures, intellectual traditions and academic achievements of the African world.

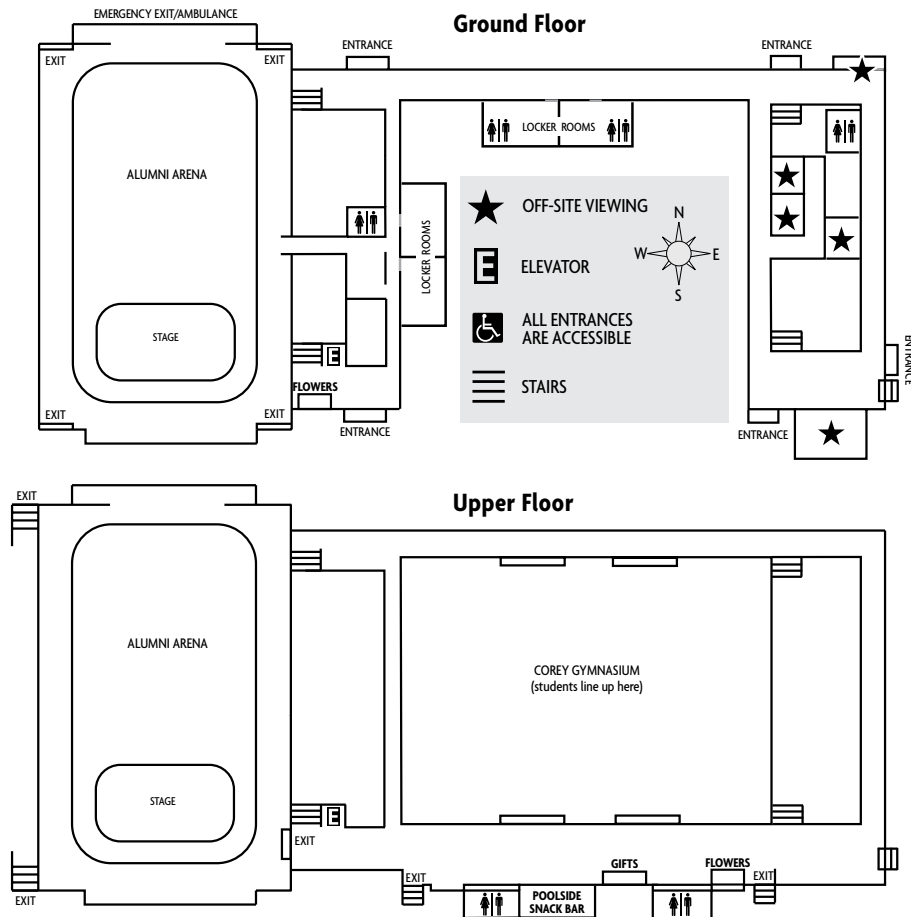

SPECIAL PERSON DESIGNATION

All graduates can designate a special person who has been instrumental in helping them achieve their higher education goals. This individual's name is read along with the graduate's name as he or she walks across the stage at the Commencement ceremony. Students who choose to name a special person do so when they apply for their degree.

INTERNATIONAL FLAG PRESENTATIONS

Graduating students representing countries from around the world have the opportunity to present their national flag to the president during the Commencement ceremony. In the past, flags representing Afghanistan, Australia, Azerbaijan, Belize, Canada, China, Colombia, Cyprus, Egypt, France, Ghana, Grenada, Haiti, India, Iran, Ireland, Italy, Jamaica, Japan, Kenya, Lebanon, Nepal, Nigeria, Peru, Poland, Republic of Congo, Romania, Russia, South Korea, St. Lucia, Sweden, Thailand, The Gambia, Turkey and the United Kingdom were received. Flags are displayed on stage during the ceremony and afterward they are exhibited in the lobby of Corey Union.

Alma Mater

*By lofty elm trees shaded round,
Tioughnioga near,
Our grand old Cortland College stands,
To all of us how dear!
We'll sing to thee, dear Alma Mater,
Of love that shall never die,
We'll strive for thy glory eternal,
Keep thy stainless honor high.
Inspiring each son and each daughter
The noblest aims to try,
All thy fame and thy spirit,
Thy might are ours
As the swift years hurry by.*
