## Spring 2018 Registration

Registration for winter and spring 2018 classes begins soon. The schedules are available to view online. You will need to meet with your advisor to discuss classes/requirements that you need to take toward your degree program. Your advisor will also give you your registration PIN. You must have this PIN to register.

You can look up your "time ticket" in myRedDragon. A "time ticket" is the earliest date and time you may begin to register. This time is based on how many total credits you have COMPLETED. It does not include how many credit hours you are registered for this semester. Online registration ends on December 22 at 4 p.m. for spring 2018 classes.

Seniors-November 8 and 9

Juniors-November 10 and 13

Sophomores-November 14 and 15

Freshmen-November 16 and 17

Advisement and Transition will be hosting a **Registration Q and A** for our new non-traditional and graduate students at 4 p.m. on Monday, November 6, in Library IRA (2nd Floor computer lab). While this is geared for new students, all students are welcome to attend.
