Healthcare Management

School of Professional Studies

The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate [Catalog](#).
- Use the [transfer equivalency tables](#) to choose equivalents at your transfer college.
- If you plan to transfer before you complete your associate's degree, you can still earn your degree via [Reverse Transfer](#).

About Healthcare Management

Prepare to work on the business side of healthcare in a fast-growing field. SUNY Cortland's healthcare management degree, one of the first of its kind in the SUNY system, links the College's strong reputations in business economics and public health.

You'll gain foundational training for roles related to finance, human resources or business management across various settings — hospitals, nursing homes, clinics and larger healthcare systems among them.

Career Potential

- Healthcare administrator
- Human resources representative
- Finance officer
- Health informatics professionals

What Will I Learn?

- Human resource management
- Health economics, leadership and ethics in business
- Organization and administration of health programs
- Health informatics and communication
- Operations and supply chain management
- Epidemiology and biostatistics

Applying to Cortland

- SUNY Cortland accepts the Common Application and the SUNY Online [application](#). Choose just one way to apply; both require a \$50 non-refundable application fee.
- If you apply to Cortland using the SUNY application, SUNY will waive the \$50 application fee for transfer students graduating with an associate degree from a SUNY or CUNY college, who apply directly to Cortland for baccalaureate programs.
- Fall applicants should apply by March 1. Spring applications should apply by November 1.
- After [applying](#), students must send transcripts from all colleges attended and a high school transcript.
