 Pre-Recorded Directions to Campus: ext. 6633  
 cortland.edu

The *Directory of Campus Offices* is compiled each year by the Publications and Electronic Media Office, State University of New York College at Cortland, P.O. Box 2000, Cortland, NY 13045-0900.

The listings in this directory are intended for the exclusive use of the faculty, staff and students of the State University of New York College at Cortland. Their reproduction or distribution for advertising or other commercial use is expressly prohibited.

The State University of New York and SUNY Cortland do not discriminate on the basis of race, sex, religion, national origin, age, disability, sexual orientation or marital status in admission, employment, and treatment of students and employees.

# Telephone Procedures

## SUNY Cortland's Telephone System

SUNY Cortland's telephone system permits on-campus faculty and staff members to be reached directly by dialing their individual telephone numbers. The system also permits direct outside dialing by College personnel.

### How to Dial

**On Campus:** Dial the four- or five-digit extension.

**Local:** Dial "9," then dial the seven-digit telephone number.

**Long distance in 607 area code:** Toll calls, dial "9," then dial "1," then dial "607" and the seven-digit telephone number.

**Long distance outside 607 area code:** Toll calls, dial "9," then dial "1," the proper area code and the seven-digit telephone number.

### Collect/Credit Card Calls

Dial "9" and follow the directions on the card.

### Directory Assistance

Dialing for directory assistance from campus has been restricted due to a drastic increase in charges.

Campus employees are asked to try to locate the number by using a directory service on the Internet such as [www.switchboard.com](http://www.switchboard.com) or [www.anywho.com](http://www.anywho.com).

For international assistance, call Networking and Telecommunications at ext. 2311.

### Incoming Collect Calls

Incoming collect calls to campus telephones cannot be accepted. Third-number billing calls (those that are billed to campus numbers from other numbers) also are not permitted.

## Telephone User Guide and Voicemail Set-up Instructions

1. Log in to myRedDragon
2. Select the "Tech Help" tab
3. Scroll down the menu on the left to "Find Services"
4. Select "Faculty/Staff"
5. Scroll down to "Networking and Telecommunications"
6. Choose "Campus Phone Service"

## To Request Additions, Changes, Moves or Repairs

1. Log in to MyRedDragon
2. Select the "Tech Help" tab
3. Scroll down the menu on the left side to "Popular Links"
4. Select "Telecommunications Requests"

## Problem Calls

Individuals who receive obscene, harassing or threatening calls should not say anything, just calmly hang up. Not reacting to these calls usually causes them to stop. The call should not be discussed with anyone. Chances are, the caller is an acquaintance and may be encouraged by the recipient's anxiety. The University Police Department should be notified at ext. 2112 if these calls continue.

## Online Directory

SUNY Cortland faculty and staff can be looked up online by selecting the Search link on the College's home page at [cortland.edu](http://cortland.edu) or from the Faculty/Staff tab in myRedDragon.

## Updating the Online Directory

Employees are asked to keep their online directory listing current. This listing can be updated any time.

State employees should:

1. Log in to myRedDragon.
2. Select the Faculty/Staff tab.
3. In the About Me box, select Update/Edit your directory.
4. Make the necessary updates on the My Directory screen.

Anyone unable to access their directory information or myRedDragon should contact The Help Center at ext. 2500.

Research Foundation employees should submit changes to Brent Danega in the Human Resources Office at [brent.danega@cortland.edu](mailto:brent.danega@cortland.edu) or at ext. 2414.

ASC employees should submit directory changes to ASC Human Resources Specialist Sue Michales at [sue.michales@cortland.edu](mailto:sue.michales@cortland.edu) or at ext. 4751.

# Emergency Information

## To Report Emergencies Dial Ext. 2111 or 911

Please give this information to the University Police Department when making an emergency call:

1. Nature of emergency
2. Building and room number
3. Exact location, such as second floor lounge, elevator, etc.
4. Your name
5. Telephone number from which you are calling

## Emergency Blue Light Phones

An emergency phone system has been installed to make reporting serious incidents easier and quicker.

The emergency phones, called "blue light phones," have a direct line into the University Police Department. They are in a grey or red box attached to a light pole or building. A blue light, easily seen at night, hangs over each box.

To report an incident, open the box and pick up the receiver. The phone will be answered by the University Police Department.

## Residence Hall Outdoor Phones

Telephones at the main entrance of each residence hall allow visitors to call the rooms of students.

The phones are equipped with a separate button for emergencies only, which, when activated, will ring directly into the University Police Department.

These phones are designed for short conversations and will terminate the connection after one minute.

## Emergency Message System

### Types of Emergencies

The system is designed to respond to a variety of campus emergencies. They include:

- Bomb Threat
- Civil Disturbance
- Fire
- Hazardous Material Spill
- Major Road Closing/Incident
- Medical Emergency
- Personal Safety (shooter, suspicious package)
- Severe Weather
- Utility Failure

## Modes of Communication

The type of emergency will dictate the modes of communication used to convey information. They include:

- Campus IP Phone System
- Campus Visual Messaging Screens
- Campus and area Radio and TV Stations (a list of stations can be found in Chapter 490.01 of the *College Handbook*)
- Cell Phone Voice Messages
- Cell Phone Text Messages
- Fire Alarm
- Loudspeaker
- SUNY Cortland Website
- Siren

## Use of the Siren

A siren will only be sounded in those instances that pose immediate, life-threatening situations.

Please listen carefully for a message over the loudspeakers. If possible, turn on your cell phone, check the College's website on your computer, view a campus visual message screen or check your IP office or departmental phone for further information.

If none of these options is available, secure your location or seek a secure one immediately.

## Safety Tips in an Emergency

**Remain calm:** By remaining calm, you will be able to think clearly and respond appropriately. If possible, follow the instructions provided by the Campus Emergency Notification System.

**Get away, if possible:** Only do this if you can escape quickly and safely.

- Identify an escape route first.
- Leave all belongings behind.
- If possible, stay behind furniture, buildings, cars, etc.
- Warn others as you go.

**Lock Down:** If you cannot escape, hide in the nearest room.

- Lock or barricade doors, close and cover windows.
- Turn off lights and remain very quiet.
- Do not open doors until law enforcement officers give the "all clear" signal.

**Take cover:** If attackers are armed, hide in a place that totally blocks you from view of the attackers.

If there is nowhere to hide, lie flat on the ground. Stay away from doors and windows.

If a shooter is in the same room with you and gunshots have been fired, it may help to "play dead" until escape is possible or help arrives.

## Evacuation Gathering Sites

Pre-arranged gathering sites have been designated as part of the evacuation procedure for every campus facility. Building administrators have a list of these sites.

## Defibrillators

SUNY Cortland participates in the Public Access Defibrillation (PAD) Program.

Buildings with defibrillators are identified on page 24.

For more information and a list of specific locations, visit [cortland.edu/pad](http://cortland.edu/pad).

## How to Submit Your Emergency Contact Information

1. Go online to [www.suny.edu/sunyalertsec](http://www.suny.edu/sunyalertsec) and select Cortland from the college drop-down box.
2. Under enter user ID, type in the same name you use to log in to your office computer and enter the same password you use on campus.
3. A SUNY Emergency Alert page will appear. Enter your appropriate contact information, then choose submit. If all the fields have been correctly filled, you will be able to select confirm and sign off.
4. Please supply at least a single point of contact — an email address or a phone number. Please do not supply a text-messaging number if your carrier is not listed on the menu.

## Students in Distress Support

If someone requires immediate attention after business hours, call the

**Psychiatric Services Crisis Hotline** ----- 607-756-3771

The Counseling Center offers a guide to dealing with students in distress on its website at

**[cortland.edu/distress/](http://cortland.edu/distress/)**

or request assistance by calling the office at ----- 4728

The guide includes video simulations involving different concerns students may be facing and how to respond effectively to each situation.

# Top Ten Tips for SUNY Cortland Writing Style

These 10 tips were developed to foster a consistent appearance in all campus communications. They show SUNY Cortland's writing style, which adheres to the Associated Press (AP) Stylebook in most cases.

## 1. The College Name

- State University of New York College at Cortland or SUNY Cortland
- College or Cortland can be used in subsequent references.

## 2. Buildings and Rooms

- Rooms that have a number are written as Old Main, Room 204-C or Miller Building, Room 408.
- Rooms that don't have a room number are written with the building name followed by the room name: Corey Union Function Room.
- Alumni Arena does not include "Ice" in its name.

## 3. Office and Department Names

- Our style is to write the name followed by the word "Office" or "Department." President's Office, Provost's Office, English Department

## 4. Dates

- Months are abbreviated when written with a date, except March, April, May, June and July: Feb. 29, 2015.
- Avoid writing ordinal numbers such as 1st, 2nd, 3rd or 4th when writing dates.

## 5. Times

- Write a.m. and p.m. with periods: 6 a.m.
- Minutes are included only to indicate a specific time after the hour: 6:30 p.m.
- Write noon for 12 p.m. and midnight for 12 a.m.
- When indicating a beginning and an ending time, use a hyphen with no spaces: 8:30 a.m.-1 p.m.

## 6. Phone Numbers

- Write phone numbers with hyphens after the area code and exchange: 607-753-2011.
- It is preferred to write the entire phone number rather than just an extension.

## 7. URLs for College Web Addresses

- The www. is no longer required for most cortland.edu Web addresses.

## 8. Punctuation

- Capitalization is reserved for proper nouns. Avoid unnecessary capitals. An exception is College when used to refer to SUNY Cortland.
- Exclamation marks should be used only rarely.
- Only one space is used after periods and colons.

## 9. Ampersand (&)

- Avoid using the ampersand (&); write the word "and" instead.

## 10. Underlining

- In electronic communications, underlining should be reserved for hyperlinks.

Refer to the College's Communication Guide at [cortland.edu/commguide](http://cortland.edu/commguide) for answers to most style and branding questions, where you also will find the Writing Style Guide A-Z.
