

The President's List is the College's highest honor for students who excel academically. It acknowledges students enrolled in a minimum of 12 credit hours who achieve grades of A- or better in each of their courses. In Spring 2018, 9.2 percent of the full-time student body reached this level of excellence.

Keynote Speaker

Susan M. Wilson

Engaging students while guiding them along the path to an excellent education has earned Susan Wilson recognition again and again.

An associate professor of recreation, parks and leisure studies, Wilson joined the College in 1998 after receiving her Ph.D. in therapeutic recreation from Clemson University.

A certified therapeutic recreation specialist, Wilson is a published scholar who has shared her research extensively at state and national conferences in her field. In 2000, the National Council for Therapeutic Recreation Certification recognized her for preparing therapeutic recreation students to score higher than the regional and national averages during a three-year period.

Students singled her out from among all the full-time teaching faculty for a Student Affairs Connection Award in 2011. The selection committee noted her many campus roles, including softball team academic advisor, instructor for COR 101, the first-year student seminar, and as a student conduct justice.

From 2011 to 2013, as interim associate dean of the School of Education, Wilson worked closely with students in academic jeopardy.

The State University of New York presented her with a SUNY Chancellor's Award for Excellence in Faculty Service in 2015.

A past president of the New York State Therapeutic Recreation Association, Wilson was honored by the association in 2008 as an outstanding professional.

In the community, Wilson has served on various committees of the YWCA Board of Directors and as a Girls Day Out program volunteer.
