2019-2020
Student Research Travel Grants Application
SUNY Cortland Undergraduate Research Council

Fall 2019 Application Deadline: Friday November 1, 2019
For travel between July 1 and December 31, 2019

Spring 2020 Application Deadline: Wednesday March 25, 2019
For travel between January 1 and June 30, 2020

The Undergraduate Research Council’s Student Research Travel Grant Program is designed to assist with reimbursing travel costs of SUNY Cortland undergraduate students who travel to present the results of their original research at regional, national, or international conferences.

Eligibility: The Council will accept applications from full-time undergraduate students who are traveling to present the results of their original research at a regional, national, or international conference. Students must have a designated faculty sponsor/mentor.

Awards are for travel between July 1, 2019 and June 30, 2020. The Council will accept only one application per eligible applicant per year, either during the fall or spring semester. The application must be submitted during the semester in which the travel takes place, or in the case of summer travel, in the following Fall semester. The application may be for travel that has already taken place (e.g., before the application deadline) during that semester or at a later in the semester in which the application is submitted.

Should the application be successful, the actual award amount may depend on available funds, number of applicants, and the distance/costs necessary for travel. Awards will typically be less than $500.

The URC encourages faculty sponsors to attend the conference with their presenting student(s). To this end, the URC may be able to offer limited funds to assist faculty travel when other funding sources (e.g., faculty grants, school allotment, College Research Committee Grants, UUP/IDA grants, and Faculty Development Committee Small Grants Program) are exhausted or insufficient.

Travel awards can only be applied for actual expenses incurred, and award recipients must submit original receipts to receive travel reimbursement.

A complete application MUST include documentation (including the abstract and program with student’s name) that the student will be presenting (or has presented) at a professional and/or academic conference (see check list next page).

Contact Dr. Pete Ducey (Biological Sciences, ext. 2900), Director of the Undergraduate Research Council, the URC Secretary, Nicole Allen (RSPO, ext. 2511) or other Council members with questions about or for assistance in completing this application.
