## OFFICE HIGHLIGHTS

SUNY Cortland proudly welcomes campus community members from all backgrounds. The Multicultural Life and Diversity Office offers workshops, education, student leadership positions and internships plus many events that promote diversity, equity, inclusion, civility and social justice in Cortland and the larger world.

### PEER2PEER (P2P) MENTORING PROGRAM

This initiative matches new students from underrepresented groups with successful juniors and seniors throughout the first-year experience. It also provides an expenses-paid trip early in the fall semester to SUNY Cortland's outdoor education facility in the Adirondacks.

### THE VOICE OFFICE

Located in Corey Union and renovated in 2019, this space hosts weekly meetings of many multicultural and identity-based student groups. Voice Office conversations prioritize cultural awareness and community building.
