

YOUR NEXT STEP

**A GUIDE FOR
TRANSFER STUDENTS**

SUNY
Cortland

Start your transfer path.

If you have enrolled in any college-level courses since graduating from high school, you will be considered a transfer student when you apply to SUNY Cortland. Approximately 750 transfer students choose us each year. They discover strong academic programs and a campus with transfer-specific resources to ensure their success. We hope you'll join them.

ADMISSIONS CRITERIA

Application decisions are based on your cumulative academic performance. To be considered for admission, you should:

- provide official transcripts from all colleges attended — whether you completed coursework or withdrew — as well as proof of high school graduation.
- have a minimum cumulative GPA of 2.5 on a 4.0 scale.

TRANSFERRING CREDITS

You can transfer up to 64 credits from an accredited two-year college or 90 credits from an accredited four-year college.

To assist in your transition to Cortland, review the transfer planning sheet for your major online. We recommend you complete the listed courses before transferring.

→ cortland.edu/transfer-planning

To see how your credits will transfer, you can view our transfer equivalency charts.

→ cortland.edu/transfer-credits

RECOMMENDED APPLICATION DATES

Admission decisions are made on a rolling basis as space allows. The dates listed below are recommendations, not hard deadlines.

- **March 1** for fall semester consideration
- **Nov. 1** for spring semester consideration

TRANSFER CREDIT EVALUATION

After you submit your admission deposit, a staff member from Advisement and Transition will evaluate your credits. You'll know what you've already accomplished and which courses you'll need to take.

Get started

→ cortland.edu/transfer

We're here to help.

The Phi Theta Kappa international honor society compiles an annual Transfer Honor Roll highlighting commitments to transfer student support services, financial aid, admissions outreach and campus opportunities.

SUNY Cortland is proud to be the only public institution in New York state to be recognized every year since 2018.

RESOURCES FOR TRANSFER STUDENTS

→ **Orientation** takes place during the summer for students starting in the fall semester or during the winter for students enrolling in the spring. It's where you'll review your pre-built course schedule, meet other new students and learn strategies for a successful start.

→ **COR 201** is an introductory one-credit seminar covering life at SUNY Cortland. This class will familiarize you with the offices and services that can help in your transition to campus.

→ **The Transfer Network Team** can match you with students who already have transferred to SUNY Cortland. They are available to offer their own tips and advice.
