

# “Local Water Concerns” with Doug Withey

Monday, November 4<sup>th</sup> at 6:00 p.m.  
Moffett Center, Room 2125

Doug Withey will share what he has learned about water treatment and water delivery in the Cortland area from 35 years of experience working for Cortland’s Municipal Water System. A discussion will take place following the presentation.

This event is FREE and all are welcome. For more information, email [sustainability@cortland.edu](mailto:sustainability@cortland.edu)
