Lifetime Giving Recognition Societies

This section honors donors whose lifetime giving to the Cortland College Foundation exceeds \$100,000. The substantial contributions these leadership donors have made to the College's educational mission is gratefully acknowledged.

James Harmon Hoose Society - (\$1,000,000.00 +)

The first principal (president) of the Cortland Normal School who served from 1869 to 1881 and 1882 to 1891, Hoose is remembered for his "honesty of purpose, his enthusiasm in all he undertook, and his unwavering commitment to make the world better."

Francis J. Cheney - (\$500,000.00 +)

The second principal of the Cortland Normal School who served from 1891 to 1912, Cheney was a first-rate administrator who was committed to community service.

Harry Dewitt DeGroat - (\$100,000.00 +)

The third principal of the Cortland Normal School who served from 1912 to 1943, DeGroat commissioned the Alma Mater and established student Moving Up Day traditions such as the sophomore key, junior rock and the senior ring ceremonies. DeGroat is also admired for teaching students the importance of philanthropy.

Lofty Elm

The Lofty Elm Society, which takes its name from the first verse of the Alma Mater, was established in 2003 to recognize alumni, emeriti and friends who record estate commitments, establish life income gifts, or make other planned gifts for the benefit of SUNY Cortland through the Cortland College Foundation.

Time and Talent – Volunteerism

Alumni, parents, friends, faculty, staff and emeritus members of the SUNY Cortland educational community are an amazing group of people. This listing is a formal recognition of the people who have selflessly given their time, talent and energy to advance the mission of the College throughout the past year. The names recognized here are submitted by departments of the College that manage volunteers.
