BA Students:

Continue foreign language sequence through Intermediate level II (9 cr)

BS Students:

Choose additional Biology, Chemistry, Math, or Physics courses (9 cr)
See Catalog for options.

Electives (9 credits)

Total: 64

**A foreign language course at the beginning level I (101) is required for this major. Sign language is acceptable as a foreign language for this major.

Students have the option of pursuing a Bachelors of Arts (BA) or Bachelors of Science (BS) in Psychology. The BA requires additional foreign language while the BS requires additional math and science courses.

Psychology

School of Arts and Sciences

The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate [Catalog](#).
- Use the [transfer equivalency tables](#) to choose equivalents at your transfer college.
- If you plan to transfer before you complete your associate's degree, you can still earn your degree via [Reverse Transfer](#).

About Psychology

Curious as to how people perceive the world? Always wonder what motivates them and how the brain works? As a psychology major you will immerse yourself in the study of human behavior while understanding psychology as a science, the methodology of the discipline, and principles and concepts in major areas. With the guidance of talented faculty eager to help you excel and first-rate laboratories, success is within your reach.

Career Potential

- Academics
- Research
- Counselor/therapist
- School psychologist
- Human services
- Organizational psychologist

What Will I Learn?

- Learn from multi-talented faculty who are experts in educational psychology, personality/social, abnormal psychology, learning, cognition, emotion, neuroscience, psychopharmacology and psychology of the exceptional child.
- Develop a strong liberal arts foundation helpful for a variety of different career paths.

Applying to Cortland

- SUNY Cortland accepts the Common Application and the SUNY Online [application](#). Choose just one way to apply; both require a \$50 non-refundable application fee.
- If you apply to Cortland using the SUNY application, SUNY will waive the \$50 application fee for transfer students graduating with an associate degree from a SUNY or CUNY college, who apply directly to Cortland for baccalaureate programs.
- Fall applicants should apply by March 1. Spring applications should apply by November 1.
- After [applying](#), students must send transcripts from all colleges attended and a high school transcript.
