Sources of Data/information

- Student Data File
- Supplemental Application
- Institutional Research Assessment Reporting
- Student Opinion Survey
- College Student Inventory
- National Survey of Student Engagement
- Faculty Workload Report
- Banner Data
- Division Annual Reports
- Middle States/MOU
- Graduate Survey
- Foundations of Excellence

What we care about

Students Demographics (Yacavone/VDK)

- Enrollment
- Entering profile
- Retention/Graduation Rate
- Cost/Student Debt

Student Learning/Development (Dady, Franco, Prus)

- Performance Indicators
- DWE rates
- Awards
- Learning Outcome Assessments
- Engagement
- Dean's/President's List

Student Support (Sharer,Dai,Shirley)

- Programs/Services Offered
- Utilization of office/service
- Evaluation of services
- Facilities/Funding

Curriculum (Cirmo,Kaltefleiter,Reese,Anderson)

- Average Credits to Degree
- Credits for GE
- Course offerings

Faculty (Cirmo,Kaltefleiter, Reese,Anderson)

- Workload
- Student/Faculty Ratio
- Teaching effectiveness
- Productivity: Grants/scholarship
- Awards/Recognition
- Faculty Development
- Grade Distribution

Campus-Wide (Parvizi, Murphy)

- Carnegie Classification
- Carbon Footprint
- Sustainability
- Quality/Performance Indicators
- Facilities Masterplan
- Fundraising

Considerations for Presenting Data

Descriptive versus correlation/inference

Historical Context

Peer institution context

What do we say we are accomplishing and where do we have data to support that?

Are there data gaps to address in the future?
