**A foreign language course at the beginning level II (102) is required for this major. Sign language is acceptable as a foreign language for this major.

Speech and Hearing Science

School of Professional Studies

The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate [Catalog](#).
- Use the [transfer equivalency tables](#) to choose equivalents at your transfer college.
- If you plan to transfer before you complete your associate's degree, you can still earn your degree via [Reverse Transfer](#).

About Speech and Hearing Science

Prepare for a future in speech-language pathology and audiology with our innovative blend of theoretical knowledge, research and clinical practice. A master's degree is necessary for professional positions in speech-language pathology and audiology. This program provides a solid foundation for graduate study.

Career Potential

- Graduate school
- With a master's degree in speech-language pathology and/or audiology, you can work in
 - Schools
 - Hospitals
 - Clinics
 - Rehabilitation Centers
 - Universities
 - Private Practice and Industry

What Will I Learn?

- Hone your critical thinking and problem-solving skills.
- Use the resources of Cortland's Center for Speech, Language and Hearing Disorders.
- Work closely with top-notch faculty on research.

Applying to Cortland

- SUNY Cortland accepts the Common Application and the SUNY Online [application](#). Choose just one way to apply; both require a \$50 non-refundable application fee.
- If you apply to Cortland using the SUNY application, SUNY will waive the \$50 application fee for transfer students graduating with an associate degree from a SUNY or CUNY college, who apply directly to Cortland for baccalaureate programs.
- Fall applicants should apply by March 1. Spring applications should apply by November 1.
- After [applying](#), students must send transcripts from all colleges attended and a high school transcript.
