1. Alteration of Existing Program Adjustment to the LAJU Minor	Adding one course to a menu list.	<b>Passed</b>
2. Alteration to Existing Program Adjustment to the POL major	Adding one course to a menu list.	<b>Passed</b>
3. Alteration of Existing Program Adjustment to the POL- LAJU major	Adding one course to a menu list.	<b>Passed</b>
4. New Program Proposal BS in Public Administration	Concerns regarding the usefulness of the CAP 100 requirement. Concerns about the choices in the menus (e.g., relatively light on science, some students are blocked from 200 level science courses). Alternative approaches would be to require a minor, or to distribute requirements differently (e.g., require 4 courses in total, with 2 courses from 2 different areas.	<b>Tabled</b>
