VOTE: Pass.

*** New Course Proposal: ESL 404 ESL Literacy in the Elem. School
VOTE: Pass.

*** New Course Proposal: ESL 405 ESL Teaching via Videoconference
Needs to delete "provides students with.." Course description must match between form and syllabus. The department probably wants to add "consent of department" in the course description. Needs repeatability statement in the course description.
VOTE: Contingent Pass.

*** New Course Proposal: ICC 146 ESL Introduction to Academic Writing Across Disciplines
Course appears to be a continuation of 145. Needs to drop use of "introduces students to"
Appears that frequency code should be "S". Not clear if this is 1.5 cr or 3 cr.
VOTE: Contingent Pass.

Is this really a new course? Clarify in description. Frequency code seems inaccurate.
