Service-Learning Courses

The following courses were offered as service-learning courses in the 2012-2013 academic year. Course schedules sometimes change, so refer to the Registrar's Webpage for the semester(s) and times at which courses is offered.

In the list below, an asterisk indicates that a course has the Registrar's SLRN (service-learning) attribute; that course is automatically taught as a service-learning course, regardless of who the instructor is. A course might not have that attribute, but still be taught through service-learning.

Please send your service-learning questions to John Suarez, Coordinator of the Office of Service-Learning, at john.suarez@cortland.edu or at 607-753-4391.

Department	Course name	Subject code	number
Biology	Conservation Biology Internship	CON	461
Chemistry	Field-work	AED	391
Chemistry	Field-work	AED	442
Chemistry	Field-work	AED	443
Chemistry	Field-work	AED	444
Chemistry	Field-work	AED	600
Chemistry	Field-work	AED	642
Chemistry	Field-work	AED	643
Chemistry	Field-work	AED	644
Chemistry	Student-teaching, UG	AED	445
Chemistry	Student-teaching, GR	AED	645
Childhood/Early Childhood Ed	Children, Families, and Communities	ECE	333*
