New Business		
Alteration of Existing Course BIO 521 Molecular Bio	Change to prereq code, credit hrs, and course description	Pass
Alteration of Existing Course BMS 260 BMS freshman seminar	Change in credit hrs, title, description and grading scheme	Pass
Alteration of Existing Course BMS 460 BMS seminar	Change in description and grading scheme	Pass
Alteration of Existing Program BMS	To accommodate alterations above. Note: One program area listed as 24-27 cr needs to be recounted.	Pass
New Course Proposal ECO 402 Economics Research Asstnt	Concern that 3 cr seems high. Tasks are unclear. No prereq in place re student skills. Grading mode needs justification. Description needs more work. Is consent of the dept a factor? Other examples are: COM 497 PHY 340 and PHI 450	ON HOLD
