AAS 208 – New Course With crosslists	Committee reviewed comments from Ed Moore in Perf Arts, and the appeal letter written in January from AAS. After discussion it was agreed that the committee was willing to approve the new courses, subject to course description alterations in MUS 332 and AAS 208, that made it clear students with credit in one course could not take the other course.	Await response from depts
ECO 314	No reply from department	On Hold
