

# Arts and Sciences Curriculum Committee

3/26/12

Attending: C. Schubert (Chair), G. Zarate, J. O'Callaghan, D. Collins, M. Barnaby, G. Peterson.

## Old business:

\*\*\* New Course Proposal: PSY 375 Positive Psychology  
Previous concerns addressed in resubmit.  
VOTE: Pass.

\*\*\* Alteration of Existing Programs: PSY major  
Addition of PSY 375 into menu "C".  
VOTE: Pass.

\*\*\* New Course Proposal: PHI 490 Senior Thesis in Social Philosophy  
Previous concerns addressed in resubmit.  
VOTE: Pass.

## New business:

\*\*\* New Course Proposal: BIO 430 Pathology  
VOTE: Pass.

\*\*\* Alteration of Existing Programs: BMS major  
Addition of BIO 430 and deletion of PSY 202 in menu options  
VOTE: Pass.

\*\*\* Alteration of Existing Course: PWR 309  
Proposal needs: credit hr in the description, frequency code in the description, an outline, justification for this level (the department needs more "400 level courses" does not match the proposal). Needs an abbreviated course title. Reference to PWR 210 is confusing, there is no PWR 210.  
VOTE: Table.

\*\*\* New Course Proposal: ECO 354 Leadership and Ethics  
The title needs reference to a management context. Need comment from PHI dept. The word management should be added to the first sentence in the course description. Needs frequency code and prereq in the course description. Outline should match course description on the form. Course number should match. Box 12 needs attention. Delete WI reference.  
VOTE: Table.

\*\*\* Alteration of Existing Course: AAS 106 Africana Dance  
To open up crosslist to EXS 106. Course descriptions do not match. Goals/objectives need to be separately listed.  
VOTE: Contingent Pass.

\*\*\* New Course Proposal: ATS 214 Digital Imaging

## Arts and Sciences Curriculum Committee

Needs to consistently refer to ATS 114 as the Photography course.  
VOTE: Contingent Pass.

\*\*\* New Course Proposal: ATS 312 Experimental Video  
Needs course description to match. Focus should be on artistic expression in course description (to separate this course from other production courses). Needs goals/objectives.  
VOTE: Contingent Pass.
