

## Inclement Weather Conditions & Group Exercise:

In the event that SUNY Cortland cancels classes, it is up to each group exercise instructor whether or not they will come in to teach their group exercise class(es). If any instructor cancels their class, a modified schedule will be posted on Twitter (@CortlandGroupEx) and also posted at the front desk within **one hour** of the time the email is sent out about SUNY Cortland's class cancellations.

**Unless posted otherwise, all classes will run as scheduled.**

Please call the front desk at the SLC or check the group exercise twitter account to know what classes are being held when the school is closed.
