Topic	Comments	Action
•Old Business		
BIO - 111 - Principles of Biology II	Comments from chair clarified how this will work.	Approved
BIO - 113 - Principles of Biology II Lab	See notes on BIO 111.	Approved
• New Business		
ECO 390 Health Economics	New course: Syllabus needs the course number. We expect alteration of the BUSE program to proceed as a level one change later.	Approved
MGT 410 Operations + Supply Chain Mgt	New Course: Shorter course description has been approved by chair. We expect alteration of the BUSE program to proceed as a level one change later.	Approved
Health Care Mgt	New Program: approved pending approval of 390 and 410 by comte chair.	Approved
CRM 395 The Politics of Crime Control	New course. Overlap issue re POL 303 is now resolved. We expect alteration of the SOC and CRM programs to proceed as a level one change later.	Approved
SOC 395 The Politics of Crime Control	See CRM 395	Approved
CAP 320 Information Security	Two changes needed: brief course description is needed. See Moranda suggestion in comments area. Also a program change to the CAP Minor..to show how 320 fits in the program	HOLD
Discussion about agenda	Agreed that IST 320 and 330 should be approved now, program changes are being postponed.	
	Next meeting times will be one week from today.
