Academic Traditions

ACADEMIC PROCESSION

The processional begins with the all-university gonfalonier, who leads in the faculty, followed by the schools of Arts and Sciences, Education and Professional Studies gonfaloniers, who lead in the students. The processional concludes when the mace bearer brings in the platform party, which consists of members of the administration and faculty leadership, the College Council, visiting dignitaries and honorees.

THE MACE

The mace is a ceremonial staff used as a symbol of authority. The mace bearer precedes the platform party and places the mace on a special stand where it remains while the official proceedings of Commencement are underway. SUNY Cortland's mace, the "Torch of Learning," is made of silver and rosewood and was created by local silversmith John Marshall.

THE GONFALONS

The four bright banners carried in the academic procession are called gonfalons. The red, white, black and grey gonfalon represents SUNY Cortland; in blue, grey and burgundy it represents the School of Arts and Sciences; in blue, purple and black it represents the School of Education; and in peach and green it represents the School of Professional Studies.

The gonfalons were designed by Libby Kowalski, professor emerita of art and art history, and Kathy Maher '84. The standards were made by the late Bard Prentiss, associate professor emeritus of art and art history, and J. Eric Kroot. Materials were provided by the Gilbert and Mary Cahill Foundation and the late Rozanne M. Brooks, distinguished teaching professor emerita of sociology/anthropology.

REGALIA

Commencement lends itself to the pageantry of an academic procession rooted in medieval times. The gowns and hoods worn by faculty members, candidates for graduation and platform dignitaries distinguish the institution from which the wearer was or will be graduated, the level of the degree earned and the field of learning.

In 1985, American colleges established a standard code of academic dress, specifying three types of gowns. The gown for the bachelor's degree has pointed sleeves, the gown for the master's degree has an oblong sleeve with the front part cut in an arc, and the gown for the doctoral degree has bell-shaped sleeves. The doctoral gown also is trimmed in velvet. The hood's inner lining, which folds out at the back and center, indicates the colors of the institution granting the degree, while the border, which comes around to

the front of the neck, represents the field of learning.

The black mortarboard cap is standard. Its only distinguishing feature is a gold tassel worn by holders of the doctoral degree.

PRESIDENTIAL MEDALLION

The silver medallion worn by the president at Commencement was designed by the late Gerald DiGiusto, professor of art and art history, and crafted by artist Linda Stewart in a project supported by the late Rozanne M. Brooks, distinguished teaching professor emerita of sociology/anthropology. It depicts the seven valleys of Cortland County.

THE KENTE STOLE

The Kente stole is a rich, multicolored, handwoven style of cloth that originated in Ghana, West Africa, and is revered throughout the Africana world. It is traditionally worn during important national ceremonies. The colors, patterns and ideogrammatic images of the Kente stole impart information about the wearer and highlight the importance of an event or a ceremony. Similar to the academic hood, the Kente stole is relatively new to commencement ceremonies in the United States and symbolizes higher education's connection to the rich cultures, intellectual traditions and academic achievements of the Africana world.

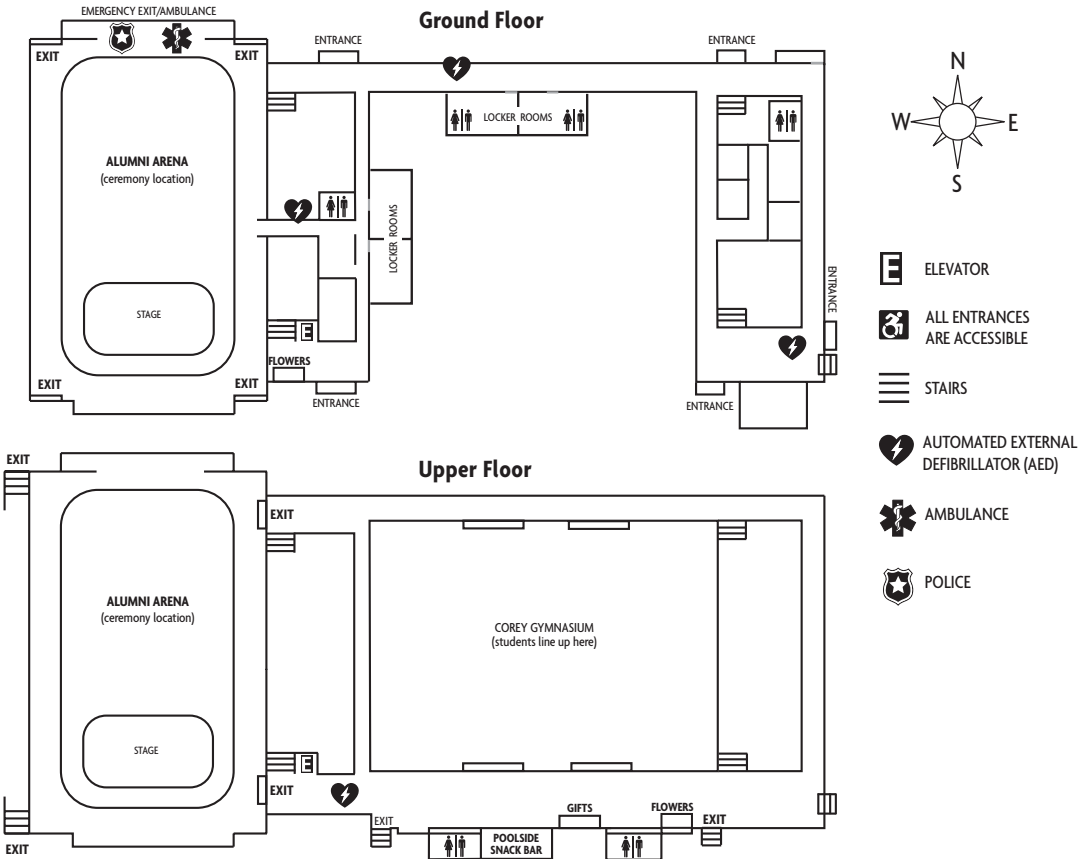

SPECIAL PERSON DESIGNATION

All graduates can designate a special person who has been instrumental in helping them achieve their higher education goals. This individual's name is read along with the graduate's name as they walk across the stage at the Commencement ceremony. Students who choose to name a special person do so when they apply for their degree.

INTERNATIONAL FLAG PRESENTATIONS

Graduating students representing countries from around the world have the opportunity to present their national flag to the provost during the Commencement ceremony. In the past, flags representing Afghanistan, Australia, Azerbaijan, Bangladesh, Belize, Canada, Chile, China, Colombia, Cyprus, Egypt, Finland, France, Germany, Ghana, Grenada, Haiti, India, Iran, Ireland, Italy, Jamaica, Japan, Kenya, Lebanon, Malaysia, Nepal, Nigeria, Peru, Poland, Republic of Congo, Romania, Russia, South Africa, South Korea, St. Lucia, Sweden, Thailand, The Gambia, Turkey and the United Kingdom were received. The 2025 ceremonies will feature the flags of Turks and Caicos, Ghana and Iran. Flags are displayed on stage during the ceremony and afterward they are exhibited in the lobby of Corey Union and the foyer of Old Main.
