

Keys to Academic Planning

- What are your requirements and where do you stand?
 - Obtain the correct checklist for the major
 - Exact program
 - Appropriate year of matriculation
 - Identify all coursework transferred in from AP, college work, testing
 - Identify all waivers
 - Review General Education Requirements
 - Major Requirements
 - Plans for summer or winter coursework
 - Need to retake any courses
 - Any plans for a minor?
 - Thinking of studying abroad?
 - Activities that affect your course scheduling and plan?
 - Planning ahead
 - Identify required coursework and when they are scheduled
 - Identify prerequisite and sequence coursework
 - Is there a placement, internship requirement?
 - Total hours needed to graduate in your particular major
 - Lay out a tentative four year plan!
- It may be challenging, but it is a start to identifying potential conflicts, creating room for flexibility, and being more confident!
