Celebrate-a-Non-Trad! Campaign

Do you know a non-traditional/adult, undergraduate student who balances college with other commitments such as family, jobs and long commutes? Let's recognize them! Advisement and Transition will present these students with a certificate and campus recognition. NTSO will provide small gifts (one per student – not nomination). [Submit your nominations.](#)

Be sure to watch social media for spotlights of non-traditional students as well as faculty/staff who were non-traditional students as undergraduates.
