Did You Know?

Our Non-Traditional Student population brings unique life experience to our campus. There are about 300 students who are 24 years of age and older enrolled in classes this semester. We will celebrate our adult learners on campus November 5-9. We are glad they are here.

- Are at least 24 years of age or older OR
- Regardless of age, have dependent children OR
- Have had an interruption or delay in their education since high school OR
- Work full-time OR
- Have military experience
