Important Note: VP and Asst. VP of Recruitment rotate on a slightly different schedule from all other officers per the agreement of previous Panhellenic Councils so as to promote equity amongst all groups. The above rotation schedule may need to be adjusted if individuals elected into these positions do not remain in office for their entire time. As a general rule, the Assistant VPR becomes the VPR following Spring Break of the appropriate year. The Panhellenic Advisor will adjust the rotation as needed when vacancies appear.
