Minor: Communication Studies Cumulative GPA:

3.64

PROFESSIONAL EXPERIENCE

Binghamton Athletics | Binghamton, NY

January 2024 – May 2024

Athletic Communications Intern

- Utilized Adobe Premiere and InDesign to produce player and game highlights, game programs, as well as other videos for all Binghamton athletic teams' social media pages
- Managed Binghamton Bearcats team Twitter pages for in-game highlights, score updates and game coverage
- Assembled graphics through Box Out Sports for gameday times, scores and starting lineups

Cortland Athletics | Cortland, NY

March 2023 – May 2023

Game Announcer

- Announced lacrosse games for both men's and women's lacrosse teams for SUNY Cortland which culminated in both teams winning the SUNYAC Conference championship at Stadium Red
- Researched statistics and analytics for in-game anecdotes about athlete and team performances
- Managed audio and video equipment necessary for broadcasting livestreams

Cortland Athletics | Cortland, NY

September 2021 – December 2022

Event Operations Intern

- Assisted with events operations for intercollegiate athletic contests including football and men's soccer
- Collaborated directly with the Cortland Athletics administrative staff to ensure a safe and welcoming experience for all patrons
- Engineered scoreboard for athletic events in an orderly fashion for effective time management by the coaching staff and players

United States Merchant Marine Academy | Kings Point, NY

January 2021 – May 2021

Sports Information Intern

- Created opposing team's schedules, incorporating them into programs for USMMA fans' enjoyment
- Archived through alumni and current students' photos for statistical records of the school
- Aided in setting up livestream for broadcasting athletic events using camera equipment and computer software

Life Time Athletic | Garden City, NY

July 2022 – January 2024

Lifeguard

- Ensured a friendly experience for club members by providing towels, cleaning chairs and attending to their needs
- Performed chemical tests, flow and temperature measurements and vacuumed debris in accordance with Nassau County Board of Health regulations
- Disinfected and cleaned high-touch surfaces to satisfy cleaning protocols and mitigate the spread of germs
- Supervised members and guests throughout club hours including: leisure hours, lap lane swimming and swim tests for patrons under 12 years old to prevent any possible emergencies and guarantee the safety of all patrons
