\*Students may only add after this date with permission from the appropriate Associate Dean.

\*\*Compensation is calculated the next business day following the drop deadline.

\*\*\*Due to the transition to online forms in SRRS and the ability to date-stamp requests, the dates that fall on holidays or weekends will occur as scheduled above. Requests will be processed on the next business day, but the date of the request will hold.

*See reverse for Contract and Grading Dates.*

## Contract Dates and Grading Deadlines

Contracts dates will begin 2 business days prior to the start of each session and run through the standard 72 hours following the exam or last day of instruction for grading. Faculty would be expected to have the syllabus or a course outline for assignments, quizzes, exams, etc. available in Blackboard for students to review beginning on day 1 of their *contract* date. No additional course content would be expected until the start of the actual course/session.
