

Emergency Blue Light Phones

This system makes reporting serious incidents easier and quicker as the phones provide a direct line to the University Police Department. Just pick up the receiver or push the call button to report an emergency, crime in progress or suspicious persons/activity.

Try to remain calm and report the following details:

- What happened (assault, break-in, etc.)
- Any injuries (unconsciousness, etc.)
- Where it happened (building, road, etc.)
- When it occurred (five minutes ago, etc.)
- Who was involved (physical descriptors, etc.)
- Any other important information
