

## SUNY Cortland Moves to Handshake!

Career Services is excited to announce the campus transition to Handshake – the country’s fastest growing career portal for students and alumni. More than 9 million students and young alumni are now utilizing the Handshake platform to connect with employers and jumpstart their job search. With more than 250,000 employers and 500+ colleges already on board, Handshake provides access to ALL Fortune 500 companies and hundreds of other organizations looking to hire students from every discipline. Your student can:

- search full-time and part-time off campus jobs, internships and volunteer opportunities
- develop an online profile to connect with potential employers
- search campus career events and job fairs
- sign-up online for appointments with career counselors

Built on technology similar to Netflix and Amazon, Handshake will “learn” from student activity and will make recommendations based upon the student profile. For example, if a Business Economics major views a finance job in Boston, Handshake will not only recommend related jobs in the Boston area but will also recommend finance jobs in cities that have similar demographic profiles to Boston.

All students have free access to Handshake through their SUNY Cortland MyRedDragon account or by visiting [cortland.joinhandshake.com](http://cortland.joinhandshake.com). Handshake is where talent meets opportunity...please encourage your student to log in and check it out!

If you have any questions, please contact Career Services at 607-753-4715 or [career.services@cortland.edu](mailto:career.services@cortland.edu).
