THT 225 - Voice for the Stage New course	Per Kevin Halpin email, dept will make change to title etc.	Rejected
THT - 230 – Funda of Musical Theatre New course.	Given the substantial list of prereqs, there is a real concern about how a student can proceed if any one course is failed.	Rejected
THT - 426 - Advanced Scene Study:Styles New course	No answers to LAS questions. In the BFA proposal this course has a different number. Syllabus course description lacks prereq. The full prereq list is THT 425, 161, 220, 120	Rejected
THT - 450 - Senior Showcase New course	There are implications here about who is responsible for organizing and implementing the NYC showcase. Liability issues apply there too. Syllabus lacks course descriptions and learning objectives. Not clear why this is a <u>3</u> credit course.	Rejected
THT - 455 - Senior Project New Course	In the BFA proposal this course has a different number. Prerequisite is supposed to be THT 430. Syllabus needs to follow curriculum guidelines. Not clear why this is a <u>3</u> credit course.	Rejected
